MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Personnel Requirements

25X9 [redacted] operation of this Agency during Fiscal Year 1954. These are aggregate requirements, not to be construed as an increase over any other previous authorization.

2. This forecast has been prepared in response to the request from the Assistant Secretary of Defense dated 19 May 1952.

3. The Fiscal Year 1954 forecast represents an increase of one hundred and eighty-four (184) spaces over the Fiscal Year 1953 requirements submitted to the Assistant Secretary of Defense on 2 May 1952. Attached tabulation indicates the increase or decrease by office as compared with the 1953 Authorization.

4. In preparing military requirements forecasts, operating divisions have been instructed to consider our capability to absorb personnel so that valid requirements would not be overstated.
